March 5, 2023

Welcome to NEPSAC Girls Basketball's Super Sunday! The New England Preparatory School Girls' Basketball Association (NEPSGBA) is delighted that you could join us for our five Championship games and five All-Star games. NEPSGBA would like to begin by expressing its deepest thanks and appreciation to the staff at The Loomis Chaffee School for hosting today's event. Loomis has always been willing to step up to help provide our student-athletes, coaches, families and fans with one of the best Super Sunday experiences. A special thanks to Loomis Athletic Director, Sue Cabot, who has been instrumental in helping to ensure that every detail of the day was planned and to Head Coach, Adrian Stewart, who continues to generously give his time and energy to NEPSGBA for numerous committees and events.

To speak to the excitement that we all feel about the return to Super Sunday after a two-year hiatus would be difficult to put into words. Let me summarize this basket of emotions by simply echoing some of what I have heard our student-athletes say in gyms across New England and on social media, "We can't wait!" It is my fourth Super Sunday, but only my first as Co-President, and I am excited to share with you what I feel is one of the best days of basketball and fellowship you will find in the country. From a basketball perspective, NEPSAC is the most densely populated conference of high academic student-athletes in the country. Today, you will find the courts teeming with some of the top talent in our conference. From a personal perspective, I want to assure you that as President, the culture that we create and nurture within NEPSAC is extremely important to me. Among our coaches, you will find not just great basketball minds and teachers but incredible people committed to nurturing the whole person in our student-athletes. I hope that you will take advantage of the opportunity to build relationships with our coaches as we all strive to not just enhance our respective programs but to work together for the greater good of the young people with whom we are entrusted.

I want to thank the many college coaches who have spent time and energy evaluating, connecting with and recruiting our student-athletes not just this season but over the years. We are honored and grateful that you chose to spend today with us. On the championship courts, you will observe two teams go toe to toe as our amazing young women fight to bring home the chip to their respective school. Meanwhile, when you sit courtside at our All-Star games, you'll see players who battled during the season share a bench and high fives for the first time as they play together for the bragging rights of East vs. West. Both will offer you an up and close view of our remarkable student-athletes and the sportsmanship and skill that they embody. We know how invaluable your time is, and we would appreciate any and all feedback you could provide after your time with us today.

To all of the coaches who make up our association, thank you for all that you have done and continue to do to teach, mentor and support our student-athletes. I look forward to the opportunity to see old friends today and meet new ones at our coaches' meeting this afternoon. Today is our only opportunity of the season to all sit in one room face-to-face and exchange ideas, stories, memories and laughs. I know that as we reflect upon this past season, we will take all of our varying experiences and work together to make 2023 - 2024 even better for our community! On behalf of the entire Coaches Association, I would like to extend the utmost gratitude to the numerous coaches who have graciously volunteered to serve on our many committees. Today would not have been possible without your efforts. To our All-Star Committee who spent hours on a Sunday afternoon tallying votes and creating rosters which reflected our top talent in each class, thank you! To the largest Tournament Committee we have had in the history of the association, a huge thank you for taking the time to learn and interpret our new seeding system and spending hours on a Sunday reviewing the standings to assure that the numbers the formula generated painted the picture we expected so that we could give each team a fair ranking based on numerous variables. Thank you to our NEPSGBA Executive Board who helped oversee the season and for always being there for me.

A special thank you to Matt Ward, John Monagan, Kristen Campopiano, and Charlie Kelly without whom I could not have taken on this role. Thank you for answering my late night texts and emails, for humoring me with just "one more question", and for making me laugh when it seemed frustration might be the first-sought emotion. Your insight and experience have made you indispensable so I'm not sure you can actually leave.

For those student-athletes who are present today, congratulations! You are not here by chance or circumstance but rather because of your unwavering commitment to this game we all love and to your teammates, coaches and schools. There are over 100 girls basketball teams in NEPSAC and subsequently over 1000 student-athletes. It is a huge honor for you to be on this stage today. Take a minute and soak it all in. For some of you, it will be your last time competing with your team, for some it may even be your last time competing for a team. I hope that you will embrace the opportunity that you have worked so hard to give yourself and that you will hit the court today with confidence, take a deep breath and have the time of your life! Whatever your next step is, know that your NEPSAC family is forever. From coast to coast, and even internationally, the NEPSAC bond prevails beyond graduation. Most importantly, before you leave the gym today, make the time to express your gratitude to your parents, coaches, teammates, family and friends who have all given their time, money, love and support to help you along the way.

Thanks for joining us. We hope to see you back with us at the **2024 NEPSAC Super Sunday in March 2024!**

Warmly,
Ayo Hart NEPSGBA Co-President

Class AA All-Stars

#3 Orlagh Gormley **Height:** 5'6" **Position:** Guard **Graduation Year:** 2024
School: Dexter Southfield **2022/23 Stats:** 4.8 RPG, 11.8 PPG, 3.7 SPG, 4.1 APG
Made the U18 Irish National Team 2023
GPA: 3.68 [Twitter](#)

Coach Comments: Orlagh has been a huge addition to Dexter this season. She made a seamless transition from MIAA to NEPSAC. Running the point position, she has led the team in points, assists, steals, and deflections. Orlagh is a high IQ player who is constantly thinking the game and putting her teammates in great situations. Whatever is asked of her, she will do with determination and grit.
Coach: Kristen Campopiano **Coach Email:** kcampopiano@dextersouthfield.org

#34 Shy Swain-Price **Height:** 6'1" **Position:** Forward **Graduation Year:** 2023
School: Dexter Southfield **2022/23 Stats:** 10.8 PPG, 8.5 RPG, 2 APG, 2.3 APG
GPA: 4.34 GPA **Signed to Temple University**

Coach Comments: Shy has been a major contributor at Dexter since the moment she stepped foot on campus. She is a force down low and an equally impressive passer. Shy is tough and gritty on the boards and is always willing to go the extra mile for the team. Not only does she excel on the court, but she does in the classroom as well; and her passion for engineering will no doubt become an impressive tool in the future. Heading to Temple next year to play basketball, I am confident that she will make the same impact there as she has at Dexter.
Coach: Kristen Campopiano **Coach Email:** kcampopiano@dextersouthfield.org

#23 Brooklyn SanFelippo **Height:** 6'0" **Position:** Guard/Forward **Graduation Year:** 2024
School: Hoosac **2022/23 Stats:** 11.4 PPG, 6.5 RPG **GPA:** 3.4

Coach Comments: Brooklyn is a 1st year player and starter at Hoosac. She play with lots of energy and is a great rebounder and finisher. Looking forward to seeing her grow as a player going into her 2nd year next season at Hoosac
Coach: Julie McBride **Coach Email:** jmcbride@hoosac.org

#12 Kameron St. Pierre **Height:** 5'9" **Position:** Shooting Guard **Graduation Year:** 2024
School: Hoosac **2022/23 Stats:** 14.4 PPG/ 1.8 APG / 2.7 SPG / 3.3 RPG / .5 BPG / 47 3PT% /91 FT%
GPA: 4.04 NCAA ID #2203459191 [Twitter](#)

Coach Comments: Kameron's first year in NEPSAC and a first time NEPSGBA All-Star. Kameron is a sneaky athletic SG that can score on three levels. She has above average 3-pt shooting range and a willing passer. On verge of 1,000 points, in only 3rd year of HS basketball. Strives to get better on and off the court. Cares for her teammates.
Coach: Art Thomas **Coach Email:** athomas@macduffie.org

#23 Alanna Phillipa **Height:** 5'9" **Position:** Guard **Graduation Year:** 2024
School: Marianapolis **2022/23 Stats:** 12.3 PPG, 7.5 RPG, 2SPG

Coach Comments: Junior captain Alanna Phillipa was a consistent force for the Marianapolis Prep Golden Knights this year. She averaged 12.3 points per game, but really made her mark on the less glamorous end, racking up 2 steals and a shade under 2 blocks per game to go with her 7.5 rebounds. The thing that most sets Alanna apart, though, is her work ethic; she never stops striving for personal and team growth, and this season showed some of the results of that hard work!
Coach: Wes Howard **Coach Email:** whoward@marianapolis.org

#4 Cate MacDonald **Height:** **Position:** Forward **Graduation Year:** 2023
School: New Hampton **2022/23 Stats:**

Coach Comments:
Coach: Jamie Sherburne **Coach Email:** jsherburne@newhampton.org

#24 Thalia Shepard
School: St. Andrew's
GPA: 3.5

Height: 5'9" **Position:** Guard
2022/23 Stats: 14 PPG, 4 SPG, 5 RPG
Committed to Merrimack

Graduation Year: 2023

Coach Comments: Thalia is unbelievable competitor who is impactful on both side of the ball. On offense, she can score in various ways - gets to the rim, hits the 3, and also has a pure pull-up jumper. She is excellent at finding the gaps in the court in transition offense. Defensively, she always guards the opponent's best player. Her "never back down" attitude results in stops, steals, and transition buckets.

Coach: Christina Batastini

Coach Email: cbatastini@standrews-ri.org

#13 Ciany Conyers
School: Storm King
GPA: 3.7

Height: 5'8" **Position:** Guard
2022/23 Stats: 14.3 PPG, 3.8 SPG
Signed to Siena

Graduation Year: 2023

Coach Comments: This is Ciany's second selection to the All-Star game. A dynamic guard that can finish at the basket. She is a terrific on ball defender who led our team in steals with almost 4 per game! Ciany was named team co-captain and holds a 3.7 gpa. Ciany scored her 1,000 point this year and will be headed to Siena next year to continue here academic and athletics career.

Coach: Jermaine Miller

Coach Email: jmiller@sk.org

#11 Ava Black
School: Tabor
GPA:

Height: 5'11" **Position:** Guard
2022/23 Stats:

Graduation Year: 2025

Coach Comments: Ava makes her team better at both ends of the floor on every possession. She is an elite scorer. She can create her own shot at all three levels and is at her best when the pressure is greatest. She so often finds a way to score when her team most needs a basket. At the defensive end, she routinely is asked to guard an opponent's best player and always rises to that challenge. She embodies the idea of an impact player.

Coach: Will Becker

Coach Email: wbecker@taboracademy.org

#20 Kaelyn Carroll
School: Tabor
GPA:

Height: 6'3" **Position:** Guard
2022/23 Stats:

Graduation Year: 2025

Coach Comments: Kaelyn uses her height to score at all three levels. She is an elite three point shooter who can also finish at the rim or pull up mid-range. Her size and athleticism allow her defend every position effectively and she is also an elite rebounder.

Coach: Will Becker

Coach Email: wbecker@taboracademy.org

#15 Sophia Vital
School: Tabor
GPA:

Height: 5'5" **Position:** Point Guard
2022/23 Stats:
Signed to University of Rhode Island

Graduation Year: 2023

Coach Comments: Sophia controls the game at both ends. She is able to create scoring opportunities for her teammates and for herself. She reads defenses and makes the right decision routinely. She also is a lockdown defender and leads her team in steals and deflections. She impacts every possession at each end of the floor. Dynamic does not do her justice.

Coach: Will Becker

Coach Email: wbecker@taboracademy.org

#5 Ahnay Adams
School: Tilton
GPA: 3.2

Height: 5'6" **Position:** Point Guard
2022/23 Stats: 18.4 PPG, 5.3 APG, 6.7 RPG, 4.1 SPG
[Twitter](#)

Graduation Year: 2024

Coach Comments: Ahnay's leadership on and off the court is what separates her from most other point guards in the NEPSAC; she has the ability to change the game from beginning to end and has an unmatched work ethic that has propelled her to one of the best at her position in our league. Ahnay's growth on the court is not by chance, she has put in the time and effort to improve herself as a player and student of the game.

During this season Tiffany demonstrated her incredible skill set and command of the floor playing up against veteran NEPSAC college ready guards. Tiffany led our team in scoring and assists. Height: 5'11" **Position:** Forward **Graduation Year:** 2023
2022/23 Stats: 10 PPG, 6 RPG, 2 SPG, 2 BPG, and 5 APG
Cornell University

Coach Comments: Kameryn is a co-captain of our team and a first time nepsgba all star. She is very versatile both offensively and defensively. She lead our team in blocks this season. She plays the passing lanes very well as she uses her length to get steals. Offensively she sees the court very well in transition, has the ability score at all three levels (post up, midrange and 3 ball). Kameryn averaged 10 points, 6 rebounds, 2 steals, 2 blocks and 5 assist this season. Very appreciative of her efforts so far this season and I wish her much success next year at Cornel. It was a privilege to coach Kameryn the last to years and train her since 7th grade.

Bentley University

Coach Comments: Norah is a four year starter for our program and two year captain. She has the most experience on our team and has built the program with me. Norah is a two time nepsgba all star and was All nepsac last season. We were fortunate to go undefeated and won the Founders League last season and she played a big part. This season Norah averaged 10 ppg, 6.5 assist, 5 rebounds, 2 steals and has led our team in minutes played over the course of her four year career. She lead our team in assist and steals. When we need the key steal, rebound, assist she comes up with it and closes the game out for us. He toughness coupled with her willingness to win is what I'm most proud of. She is the leader of our team and has molded our younger players throughout this season. Norah will be attending Bentley University were she will be playing basketball. #11 Paika Van Der Mas
School: Choate

Height: 6'2" **Position:** Guard/Forward **Graduation Year:** 2024
2022/23 Stats: 14 PPG, 9 RPG, 2 SPG, 2 BPG and 4 APG

Coach Comments: Paika Van Der Maas is a second year nepsgba all-star, all-nepsac honorable mention a year ago. She impacts the game in so many ways (14.3 ppg, 9 rebound, 2 steals, 2 blocks and 4 assist).she is a matchup problem because of her skill set, high basketball IQ and is a threat inside and outside. She lead our team in points and rebounds per game this season. On defense she is upfront in our press and is an exceptional help defender as she can guard all positions (1-5). Paika is fun to watch and we're fortunate to have her back next year. The sky is the limit.

Height: 6'1" **Position:** Forward **Graduation Year:** 2025
2022/23 Stats: 12.8 PPG, 219 rebs, 21 asts, 31 stls, 23 blks

Coaches Comments: Morgan is a first year NEPSGBA All-Star and two year starter as a sophomore at Hotchkiss. Not only does Morgan possess incredibly length, but she is extremely athletic and fast for any height. A ferocious rebounder, Morgan controls the paint on both ends, deflecting and altering shots on defense while collecting offensive boards for second-chance points. As she continues to gain strength and refine her outside touch, Morgan will only become more difficult to guard.

2022/23 Stats: 16.4 PPG, 7.8 RPG, 40.9%FG, 74.2% FT
Committed to UVA Lacrosse

Graduation Year: 2024

Coach Comments: Payton is an elite athlete with a ridiculous basketball IQ. She has not only started on varsity since 8th grade, she has been our high scorer all four seasons. This year, she became the first junior in our program to eclipse the 1000 point mark which included a 5-game COVID season. Payton has scored in double digits in all 23 games and has put up double-doubles on 7 of those outings. She also reached the 500 career rebound milestone this season. All of this while averaging 30 minutes per game. Payton is a co-captain who leads effectively by example. Although Payton has garnered the attention of several Div 1 coaches, she has verbally committed to play lacrosse at UVA. She is a high honors student, a tri-varsity athlete, will also captain the field hockey team next year and is heavily involved in the student community.

Graduation Year: 2025

Coach Comments: Eva is a true sophomore, and this is her first invitation to the NEPSGBA All-Star game. She is a two-year starter with incredible speed and agility. She definitely has several inches of growth left in her as well. Eva is a dynamic scorer who is proficient at multiple finishes around the rim and can quickly get hot behind the arc. She is crafty with the ball and flourishes in an up-tempo situation. Eva's true strength is in her defense. She has quick hands and feet and is competent at containing even the best ball handlers. Eva has a tremendous work ethic, and her growth in just the past year alone is a testament to her commitment to her game. If she continues along the trajectory she is, I wholeheartedly expect her name to be a constant in postseason conversations as she is a mainstay of our pressing, transition game.

#11 Mya Hicks
School: Taft
GPA: 94/100

Height: 5'8" **Position:** Guard
2022/23 Stats: 10.6 PPG, 3 APG, 4.5 RPG

Graduation Year: 2023

Coach Comments: Despite having never played the point before, Mya has been Taft's point guard since arriving last year. She has developed steadily and impressively even though we lost a key player to injury early each of her two seasons - and even though we've desperately needed her scoring. Mya led us in points and assists last year and this, and she rebounds well from the guard position. Meanwhile, she has been an honor roll student since coming to campus, and she is exceptionally highly regarded by the Taft community. Mya will attend and play for Bates next year.

Height: 5'4 **Position:** Guard
2022/23 Stats: 8 PPG, 10 RPG, 4 APG, 3 SPG
Sacred Heart University

Graduation Year: 2023

Coach Comments: Thai is a 3 time Nepsgba All-Star as well as 2 time EIL All league player! A Senior at Beaver, Thai Davis is the most dominate player on the Beaver team as well as in the league. Her success isn't measured by how many points Thai scores but more importantly on how Thai impacts the game as a whole. I believe Thai is the only player in the league who can make any pass from anywhere on the floor, along with being one of the best on the ball defenders in the league as well as the best rebounding guards. Thai is a playmaking guard who scores when needed but also leads the team in 3 statistical categories (Assist, Steals, Rebounds). Thai has led the Beaver team to its 3rd consecutive league championship and another Nepsac play-off appearance. Thai will be attending Sacred Heart University next Fall

Coach Comments: Evi has made a splash in her first year in the NEPSAC. Taking a Berkshire team that only won 2 games the previous season and helped triple the team wins this year with 6. She gets the opposing team's best defender every night, and she still finds ways of showcasing herself in multiple different ways. She is a threat as soon as she crosses half-court. She is also a great teammate and I think that is what sets her apart from others. Evi will continue to grow as a player and I can't imagine what the future has in store for this Sophomore guard.

#0 Hannah Grudzien **Height:** 6'0" **Position:** Forward **Graduation Year:** 2025
School: Wilbraham & Monson **2022/23 Stats:** 9.5 PPG, 9.2 RPG, 3.2 APG **GPA:** 3.6

Coach Comments: Hannah is our glue girl. She is also our hard hat and work pail girl. Whatever we need, Hannah brings it. Energy, toughness, defense, points, rebounds, assists, steals, blocks — Hannah just brings it all. Shy by nature, Hannah in her first year as a Titan, really has found her stride and role with her TITAN sisters, be HER. An unselfish teammate, almost to a fault, Hannah is a great additional facilitator of our offense. She's a top notch rebounder in and out of her area, and she can defend 1-5. Hannah is a tireless worker in games, but even more rabid to improvement her game and understanding of the game in practices, film study, and workouts. She's definitely an "It's An Attitude" kind of girl, and she pours that intensity into her teammates daily. Now that she has reclassified to the Class of 2025, she is a surefire D1 prospect, but open to all levels, who will only continue to improve and challenge herself to get better. We are lucky to have Hannah back for two more years! She is undecided on her AAU team, so please reach out to Coach Brown with interest, college coaches.

#10 Adrianna McCoy **Height:** 5'7" **Position:** Guard **Graduation Year:** 2023
School: Wilbraham & Monson **2022/23 Stats:** 10.5 PPG, 4.0 APG, 3.8 SPG **GPA:** 3.7

Coach Comments: Adrianna came to the northeast from Texas with a lot to prove in her postgraduate year. She had to continue to prove that she is a high academic student, but also that her game could translate up north while returning from an ACL injury at the end of senior campaign at home last January 2022. And she has done that! Cleared in November, it has been truly great to see how quickly she healed and found her rhythm with me and her new TITAN sisters. Adrianna is a point guard who is a pure scorer who can shoot it out to 23' off the pin down, off the dribble, and catch and shoot. She also has a knack for the big moment with her unflappable confidence. She's going to be fun to watch as she continues to get stronger this offseason and regains that total confidence that she has. College coaches, get to her before she signs. She has a lot of D1 and D2 schools interested in her and talking to us currently — Adrianna is coachable, works hard, and LOVES to hoop!

#20 Caterina Ravosa **Height:** 6'2" **Position:** Guard **Graduation Year:** 2026
School: Wilbraham & Monson **2022/23 Stats:** 19.4 PPG, 10.8 RPG, 1.5 BPG **GPA:** 4.22

Coach Comments: Ranked the #1 Freshman in New England by Prep Girls Hoops, Caterina is just scratching the surface of how good she is going to be. Now a two-time NEPSGBCA Class C All-Star, Caterina averaged a double-double as a true freshman this season. She is a hungry athlete who is always looking for the next challenge or way to improve her game. Blessed with great size and strength, Caterina has a feathery touch out to 25' from 3, but her improvement has come in the paint. She has embraced becoming a face-up power forward that can play equally well inside and comfortably outside while doing most of her work on the blocks. She is extremely coachable and a fantastic teammate. Holding a scholarship offer from Manhattan College, and THREE offers of admission from Columbia, Harvard, and Yale — the lists are only going to continue to grow with her improvement. Be sure to catch her with her Exodus AAU 16u EYBL team this spring and summer. GREAT season, Caterina, we are proud of you!

#4 Meagan Schuermann
School: Wilbraham & Monson
GPA: 3.8

Height: 5'9" **Position:** Forward
2022/23 Stats: 14.8 PPG, 7.4 RPG, 4.8 SPG
Emmanuel College

Graduation Year: 2023

Coach Comments: Meagan is just a joy to coach! She comes to practice everyday ready to work. She plays so hard for her team on game days. And although she is an incredible basketball player for what she gives, she only cares about one thing, WINS. She is an unselfish player who plays her heart for her TITAN sisters, and she did not arrive to us that way. She has grown and matured so much and become such a leader in our program, and it has been amazing and a true joy to watch her growth. Meagan is much bigger than her numbers, but her numbers are always truly astounding for her size. A career 1000-point scorer and 800+ career rebounds, Coach Andy Yosinoff and Emmanuel College WBB got a steal of a basketball player, a budding student, and an AMAZING young lady. Congratulations on a tremendous WMA career, Meagan! Thank you for showing your TITAN sisters what "It's An ATTITUDE" is all about as a 3-year Titan. Your pride, grit and determination are infectious.

Coach Comments: Lily is a first time NEPSGBA all-star and GIL MVP. She led our team to an undefeated conference championship season. The ability to play both inside and outside makes her a real threat and match-up problem on the court. Lily puts in consistent work in the gym whether in practice or on her own when we have days off. Lily does a great job effecting the game at both ends with shot making and shot blocking abilities.

#20/10 Kaylee Little
School: Brimmer & May

Height: 5'8" **Position:** Guard
2022/23 Stats: 6.7 PPG

Graduation Year: 2023

Coach Comments: Kaylee Little is a first-time NEPSGBA All-Star and a two-time IGC All-League player. Kaylee has been a starter for the Varsity basketball team since she was a freshman. Not only has she been a starter, but a key player on the team every year. Kaylee is always the hardest-working player on the court. She is an extremely versatile player, playing any position from the point guard to the post. Kaylee is known for her aggressiveness, her work ethic, and her ability to be a great team player. On offense, she attacks the basket hard and fights for rebounds. On defense, she can defend anyone, crashes the boards hard, and fights for any loose balls. Kaylee is also a very skilled soccer player who will be pursuing soccer in college.

Coach Comments: Abby Scanlan is a second time NEPSGBA Class D All-Star. She led the Chargers in scoring in our second season as a DI member of the IGC (Independent Girls Conference). Abby was a consistent offensive threat for us, an aggressive wing who will drive hard to the rim. She also led the team in rebounding, and we look forward to having her in Charger blue for another season!
